This contract is for the stud services from Twisted Clovers LLC and

Bitch owner's name here: _____

“TC” shall mean Twisted Clovers LLC. “Bitch Owner” shall refer to the owner of the Bitch being bred as listed above.

TC shall provide semen of good quality to have a reasonable chance of producing a litter of puppies when used in breeding dogs properly inseminated with accurate timing of ovulation determined by progesterone tests.

We offer “natural breeding” where there is penetration of the bitch by the stud dog, “side by side” breeding with Artificial Insemination, or “Shipped” chilled semen with extender.

The bitch owner certifies that,

1. The bitch is in good health and free from brucellosis infection. That she is free from internal and external parasites. That she is current on all vaccinations: including but not limited to Rabies.
2. The bitch is free from the Dilute gene and that they do not and will not sell nor produce, silver, champagne, nor any other color Labrador not officially recognized by the AKC.
3. That the bitch owner does not sell to retail outlets like pet stores.
4. That all dogs in their possession are raised and handled in a manner to insure the health and well being of the mother and her puppies.
5. That the bitch has been OFA tested for hips and elbows, and has been evaluated at fair or better for hips, and normal for elbows. A copy is required to be received by TC prior to shipment of semen.
6. That the bitch owner shall pay all shipping costs. We shall not be responsible for any delays or damage from the shipping company. Shipped semen does not include additional AI equipment.

If the bitch visits TC,

1. Bitch will be housed indoors in the home of TC
2. Dogs will be kept apart including potty breaks while in TC's care.
3. All breeding and interactions will be monitored and supervised
4. Bitch Owner must supply _____ days worth of food.
5. Water, bowls, kennel, toys, and leashes will be provided by TC unless otherwise stated.

Twisted Clovers LLC Shall,

1. Allow Natural Breeding to occur if selected style of breeding.
2. Collect the semen and evaluate it for fitness for use in producing puppies.
3. Inseminate the bitch in side by side breeding unless the owner chooses to do the breeding themselves.
4. Shall prepare the semen for shipping using extender and use appropriate chilled containers for shipping of semen. Bitch owner is responsible for the cost of the shipping and shipping containers. A return label for the Shipping Box will be enclosed to have the box returned to TC.
5. Guarantee the production of a litter from properly inseminated bitches. A litter shall be two or more live puppies born to the bitch.
6. In the event no litter is produced the bitch owner shall be entitled to a second breeding at no additional charge other than the cost for containers and for the shipping costs. This shall be the only liability of TC for anything resulting or not resulting from this breeding.

The stud fee shall be \$2,000.00 payable prior to shipping of the semen.

Method of Payment: Cash Money Check Pick of Litter Female Puppy*

*Prior discussion is agreed upon before the contract is kept between parties. An additional contract may be drawn up beforehand.

All shipping and packaging costs are in addition to the stud fee. Stud fees and service fees are non refundable. Additional Fees: _____
